Cooling Products for World Class Bars & Restaurants

Wine Coolers – perfect storage for your vintage wines

Wines develop their full flavour when they are at the right temperature for drinking. Our international quality wine coolers guarantee the perfect conditions for professional storage of red, white and sparkling wines. A wide range facilitates exactly the right model for every need.

Digital Temperature Indicator in W 185 and digital temperature setting in W-43, 72 and 120 models.

Height adjustable wooden shelves prevent vibration of wine during cabinet operation leaving the wine to mature in peace. Available in all models.

Attractive LED light and a tilted top shelf now available with W-185.

A charcoal filter cleanses the air, preventing bad odours from penetrating through the cork and affecting the wine. (Available in W 185)

Leading brands like ITC, Taj Group, Crowne Plaza, Fortune Hotels, Park Plaza, Ramada, Holiday Inn, ITDC, GRT Hotels are just some of the names in our growing list of satisfied customers.

Other features :

- Distinct temperature zones for different wines
- Tinted glass
- Height adjustable wooden shelves
- Interior light
- Electronic control of temperature
- Elegant black cabinet and inner shell
